THE BEAUTY OF OREGON'S SOUTH COAST IS AS INSPIRING TODAY AS IT WAS WHEN THE EARLIEST SETTLERS ARRIVED. MAN'S DESIRE TO ENJOY AND LIVE IN THIS RICHNESS HAS BEEN, AND IS, REFLECTED IN THE REGION'S MANY AND VARIED CULTURAL TREASURES. TODAY WE HAVE AN OPPORTUNITY TO PRESERVE, PROTECT, AND PROMOTE THE AREA'S CULTURAL RESOURCES AS PART OF OUR PAST AND FUTURE.

THE FORMATION OF THE OREGON CULTURAL TRUST HAS BEEN THE CATALYST TO CREATE A CULTURAL PLAN FOR COOS COUNTY. WITH THIS IN MIND, THE COOS COUNTY CULTURAL COALITION PLANNING COMMITTEE WAS ORGANIZED WITH MEMBERS FROM THROUGHOUT THE CULTURAL COMMUNITY. THE COMMITTEE'S TASK HAS BEEN TO DEVELOP A COUNTY CULTURAL PLAN AS DIRECTED BY THE OREGON LEGISLATURE THROUGH THE OREGON CULTURAL TRUST.

FIVE WELL-PUBLICIZED, OPEN MEETINGS WERE HELD TO ELICIT COMMUNITY RESPONSE, AND ENLIST THE PARTICIPATION OF VOLUNTEER COMMITTEE MEMBERS.

ONCE ASSEMBLED, THE COMMITTEE MET REGULARLY TO CREATE ORGANIZATIONAL BY-LAWS, AND DEVELOP A COUNTYWIDE CULTURAL INVENTORY. THIS INVENTORY, IN DATABASE FORM, WILL SERVE TO IDENTIFY AND PROMOTE CULTURE AS A VITAL PART OF SOUTH COAST LIVING. CULTURAL ENTITIES AND THE PUBLIC WERE ENCOURAGED, THROUGH DIRECT CONTACT AND MEDIA ADS, TO MAKE INPUT INTO THE INVENTORY. CULTURAL INVENTORY SURVEY FORMS WERE MADE AVAILABLE AND WIDELY CIRCULATED. SUB-COMMITTEES WERE ORGANIZED IN THE FIELDS OF ART, HERITAGE, AND HUMANITIES TO ASSIST IN GATHERING DATA.

AS THE COMMITTEE GATHERED AND EVALUATED THE DATA, THERE CLEARLY EMERGED A BROAD SPECTRUM OF EXISTING CULTURE SUPPORT ORGANIZATIONS AND ACTIVITIES, WITH FEW COLLABORATIVE EFFORTS. CLEAR PRIORITIES BECAME EVIDENT:

1. INCREASE APPRECIATION OF AND PARTICIPATION IN CULTURE AS A COMMUNITY VALUE.
2. PROMOTE ACCESS TO CULTURE.
3. INCREASE PUBLIC UNDERSTANDING OF THE CONNECTION BETWEEN NATURE AND COOS COUNTY CULTURE.
4. SUPPORT AND PROMOTE COALITIONS BETWEEN CULTURAL ENTITIES.
5. IDENTIFY, PRESERVE AND PROMOTE COUNTY HERITAGE.
6. CREATE A STRUCTURE TO GATHER, ORGANIZE AND DISSEMINATE INFORMATION ABOUT CULTURE.

THESE PRIORITIES, ALIGNED WITH BENCHMARKS AND PERFORMANCE MEASURES ARE THE FRAMEWORK OF THE COOS COUNTY CULTURAL PLAN AND ARE DETAILED FURTHER IN THE PLAN.

THE INVENTORY DATABASE WILL MATURE INTO A COUNTY CULTURAL DIRECTORY FOR EASY ACCESS AND CULTURAL DEVELOPMENT.

AS THE PLANNING COMMITTEE NEARS THE END OF ITS TASK IT IS EVIDENT THIS IS MERELY THE BEGINNING. THE FOUNDATION IS LAID, PLANS DRAWN, BYLAWS WRITTEN, AND THE WAY PAVED FOR FORMATION OF A PERMANENT COOS COUNTY CULTURAL COALITION.

CULTURAL DIVERSITY THRIVES IN COOS COUNTY. RESIDENTS FEEL STRONGLY ABOUT COASTAL LIVING AND CLEARLY RECOGNIZE THE ROLE CULTURE HAS AND WILL HAVE IN THE FUTURE.
VISION STATEMENT

The Coos County Cultural Coalition seeks to preserve, protect and promote a lively and meaningful cultural experience within Coos County.

PLANNING PROCESS

The Coos County Board of Commissioners designated Commissioner John Griffith to lead the county’s planning efforts to comply with Oregon Revised Statute (ORS) 359.400 et seq. State law requires Oregon’s thirty-six counties and nine federally-recognized tribes to make plans that identify and prioritize cultural assets, and that set performance standards for recipients of Oregon Cultural Trust grants.

To begin organizing a county cultural planning effort, Commissioner Griffith initially participated in a meeting by the Oregon Cultural Trust on September 26, 2002, in Newport, Oregon.

The Cultural Trust held another planning and educational meeting October 17, 2002, in Bandon, Oregon, attended by the entire Coos County Board of Commissioners.

Commissioner Griffith organized the first, fully local planning meeting October 28, 2002, at the Coos Art Museum, in Coos Bay, Oregon.

Commissioner Griffith also organized two facilitator-run visioning meetings, to spread the word of the oncoming cultural coalition planning effort in Coos County and to elicit community opinions on what they want a local planning committee to do and what a local plan should look like.

These meetings were held on November 25, 2002, and December 9, 2002 in the Waterfront Playhouse, Pony Village Mall, North Bend, Oregon. A final informational meeting was conducted at the same location on January 20, 2003.

During the period described above, local newspapers ran stories on the topic.

The Board of Commissioners, as required, submitted to the Oregon Cultural Trust, a list of persons interested in serving on a county cultural coalition planning committee. Those names submitted included:

Judy McDonald, Patty West, Blair Holman, Charles Vincent, Loretta Kramer, Reed Lockhart, Larry McCabe, Celia Claybourn, Nancy Dupaquiere, Chief James Lott, of Confederated Tribes of Coos, Lower-Umpqua and Siuslaw Indians, Sharon Lovie, John Noland, Carol Ventgen, Bill Laverty, Norma Van Natta, John Griffith (county commissioner) and Doug Fletcher. Others expressed an interest in serving on the committee after the Board of Commissioner nomination period concluded. They were Kathi Walker, Sarah Recken, Bob Sasanoff and Corinne Potts. The Oregon Cultural Trust designated all those persons to serve on the local committee.

The meetings of Coos County Cultural Coalition Planning Committee were as follows:

The first meeting was held on April 2, 2003, at the Coos Art Museum in Coos Bay, Oregon. The committee elected a chairman and vice-chairman, and in the succeeding months adopted bylaws. The succeeding meetings were held on the following dates in the Coos Art Museum: May 7, June 18, July 9, July 29, August 26, September 9, October 14. Two half-day workshops were held during November and December of 2003 to begin the drafting of the priorities, strategies and benchmarks. More regular meetings followed on January 13, 27, and February 10 and 17, 2004.
INVENTORY AND ASSESSMENT

When the Cultural Coalition Planning Committee began developing an inventory of cultural assets in Coos County, it was with the goal of being as inclusive as possible. The committee members agreed that in order to produce a cultural plan that was truly reflective of the rich and diverse culture of the county, there would be a need to gather public input while completing this process in a timely manner.

To this end, an inventory form was drafted that was user-friendly and easily accessible. The form was simple, concise and made available at various locations throughout the county, including the county public libraries, museums, galleries, community theaters, dance schools, college campus sites, local businesses and other public places where the committee felt people interested in this project would come into contact with the forms.

In conjunction with posters and forms being placed around the community, a press release was sent to the local media to explain the inventory and its role in drafting the cultural plan. With hopes of maximizing community response, the committee appropriated a portion of their budget to purchase display advertising featuring the form in a “clip and mail” design. These ads ran in all county newspapers during the month of September, 2003. A post office box was made available to receive completed forms from the public. The inventory form was also posted on the county website for an online response option.

The committee members worked on the collection of inventory forms by inputting data into a spreadsheet for distribution to committee members. Assessment of the data revealed what the planning committee agreed was a comprehensive, yet unfinished, picture of the rich and diverse cultural resources throughout Coos County. An ongoing effort to expand, maintain and publish the inventory for use as a cultural resource emerged as a priority. The attached cultural inventory remains a work in progress.

Several key issues were highlighted during the inventory process that also helped the committee form priorities and strategies. A lack of communication between cultural entities was identified as an obstacle to the coordination of cultural activities. What the committee discovered through this evaluation was a strong will to overcome isolation, form partnerships, and promote coalitions of organizations to facilitate growth and stability in all areas of county culture.

PRIORITIES, STRATEGIES, BENCHMARKS AND PERFORMANCE MEASURES

The priorities in this plan were developed purposefully to address the cultural needs of Coos County while emphasizing aspects unique to this area. Each priority is regarded as equally important with the intent of giving preference to those grantees addressing multiple priorities in the grant application process.

Strategies were developed knowing that the implementation of many were dependent on receipt of funds from the Oregon Cultural Trust. In order to stay open to creative solutions for meeting the cultural development needs of the county, the language used to define strategies was deliberate so that the Coalition would not be overly restricted while at the same time providing appropriate structure for the Coalition to meet its objectives.

Quantitative and qualitative benchmarks are stated for each priority. It is the responsibility of the Coalition to review its grant awards annually to assess progress made. Benchmarks serve as a tool to help the Coalition stay on course, however, it is evident that measuring progress, both qualitatively and quantitatively, will be initially difficult without sufficient baseline data from cultural organizations. The Coalition may choose to spend some time establishing baseline evaluations where necessary for the purpose of measuring progress.

Note: The following priorities are not weighted by the order in which they are listed.
I. Increase appreciation of and participation in culture as a community value.

A. Strategies

1. Finance children's arts, heritage and humanities programs (Pre-school through 12) such as artists-in-residence programs, traveling performers, or heritage interpreters, through the school or through agencies or organizations that are outside the school setting, with funds distributed by the Cultural Coalition through a grant application process.

2. Promote peer education to more fully utilize existing human resources in the county for cultural development.

GUIDELINES FOR DISTRIBUTION OF FUNDS

1. Notification

The Coos County Cultural Coalition shall give public notice of the availability of funds, and the deadline for grant applications, at the time the coalition learns of periodic commitment of funds by the Oregon Cultural Trust.

2. Eligibility

For the purposes of the Coos County Cultural Coalition, a cultural organization is one that operates with a mission where culture (arts, humanities, or heritage) is central. The Oregon Cultural Trust legislation defines a “cultural organization” as one that is “organized primarily for the purpose of producing, promoting or presenting the arts, heritage…and humanities to the public or organized primarily for identifying, documenting, interpreting and preserving cultural resources.”

3. Grant Applications

Grant applications shall be available to interested organizations and/or individuals through the notification process. Completed applications will be reviewed by a panel of Coos County Cultural Coalition members and awards determined by the Coalition as a whole. It is the intention of the Coos County Cultural Coalition that awards be balanced among the three areas of culture: arts, humanities and heritage.

4. Grant Awarding Criteria

When funds are available, the Coalition will award grants on a competitive basis to proposals that:

1. Fulfill one or more of the priorities established in the Coos County Cultural Plan.
2. Result in a demonstrable benefit to county residents and visitors.

The Coalition will use a two-tiered application process designed to encourage applicants to expand their ideas without burdening them with onerous requirements that might dissuade some from applying. In awarding funds, the Coalition will respect the privacy of applicants and the confidentiality of fiscal and proprietary information they submit, to the extent allowed by law.

The Coalition will be alert for fairness and accountability issues. Fairness will include assurance that grants are fairly distributed to individuals and organizations bringing cultural experience to all parts of the county. Accountability will include performance measures to indicate when the promised product has been completed.

The Coalition will have the power to award grants to individuals as well as to organizations. There will be appropriate safeguards to protect the public funds.

Funds may be distributed in installments, and each subsequent installment may be predicated upon the achievement of specified project goals, submission of appropriate reports, or similar appropriate criteria. The Coalition may recall funds if they are misused, the applicant fails to comply with grant conditions, or the projects are abandoned. The Coalition shall have recourse to law to recover misappropriated funds.

Coalition decisions may be made at its discretion and are not subject to appeal. The Coalition will endeavor to provide a brief indication of its reasons for rejecting an application. Unsuccessful applicants may wish to reapply in subsequent grant cycles after asking the Coalition for a confidential, constructive explanation of the basis of their initial rejection.
5. Plan Review and Update

The Coalition will review the plan, in its entirety, annually. This evaluation including the assessment of progress toward benchmarks will be forwarded in a report to the Oregon Cultural Trust.

It may be necessary to make adjustments to the Coos County Cultural Plan as priorities are met, and no longer needed, or new priorities are identified. It is the intent of the Coalition that the plan remains relevant and useful by continual review and appropriate updating.

Any proposed changes to the plan will be made available for public comment before being adopted by the Coalition. Proposed changes to the plan will also be submitted to the Oregon Cultural Trust for review and final approval.
